Society; Chairman of organizing committee for World Glaucoma Day Hong Kong Chapter (2008- 2010); Graduate of Leadership Development Program (LDP), APAO (2010).

He published more than 75 papers in peer-reviewed International Journals, some of them earning commentaries from the Editorial and were chosen for media highlight both overseas/ USA as well as in HK.

Social/ Charity and Professional Services:--

Apart from clinical care and research, social service is an important theme for Dexter. He served as the Chairman of organizing committee for World Glaucoma Day Hong Kong Chapter (2008-2010), which was an initiative to raise public awareness of early eye screening for diseases such as glaucoma.

He served on the Board of Directors, Lions Eye Bank (2013- 2018) and was doing active works in encouraging organ donation such as cornea donation for transplantation. Dexter was also an Honorary Advisor of the Hong Kong Society for Rehabilitation (2016- 2018 ). HKSR was founded in 1959 and its mission is through rehabilitation services for persons with disabilities and older persons, to advocate an inclusive society.
