

Free webinar

Working towards better pain management

7 May 2018
1pm London time

Speaker

Jane Pruemer, Professor Emerita of Clinical Pharmacy Practice (University of Cincinnati, USA).

Learning objectives

- Describe different therapeutic options to treat pain.
- Outline different services that pharmacists can offer their patients.
- Identify strategies to improve patients' use of medicines.

Register here

A free webinar from the International Pharmaceutical Federation (FIP), the global organisation of pharmacists.

Free personalised electronic certificates will be provided to attendees.
